

2021 Membership Form

Join or Renew Today!

Whether we're supporting local shops, organising community events, monitoring development plans, consulting with the University, lobbying to save our Green Belt, helping maintain High Street pedestrianisation, campaigning to keep street lights on 'till late or supporting independent councillors who stand for local residents rather than any political party, ERA's goal has always been to make Egham a better place to call home. Your support makes the difference, so please join or renew today!

If you'd like to be more involved - eg help deliver leaflets, join the committee, man a table at local events, bake or canvass at local elections - please indicate below or get in touch.

Names and contact details of current members only (plus a grace period) will be held solely to deliver newsletters, ERA information and invitations to participate in group or community events. We do not share data with third parties. Any member may at any time view, amend or delete their personal data by contacting ERA's Membership Secretary: era-membership@eghamresidentsassociation.co.uk To view our privacy policy and a full list of the committee see website.

survey

To help us plan for 2021, we're running a **short survey** with three questions below. Why not give us your opinion and return it in the envelope provided? We'd like to hear from everybody even if you're not joining.

1. What changes would make life in Egham more pleasant?

2. What local problems concern you most?

3. What facilities or services would you like to see to benefit children and young people?

Please continue your answers overleaf, if you like. Thank you!

ERA January 2021
