

Dear Sir or Madam,

The Egham Residents' Association wishes to object to planning application RU17/0953 for 11 Osborne Road, Egham.

The application appears to be part of the process – something we repeatedly complain about – by which much of Egham is relentlessly being turned into a further campus of Royal Holloway College.

The proposed car parking provision also seems to be seriously inadequate, which would mean that the already bad parking situation in the area close to the property would be exacerbated.

We apologise for the lateness of this representation.

Yours faithfully,

Chris Fisher
